

**LOVE YOUR BONES** WorldOsteoporosisDay October20 LOVE YOUR BONES

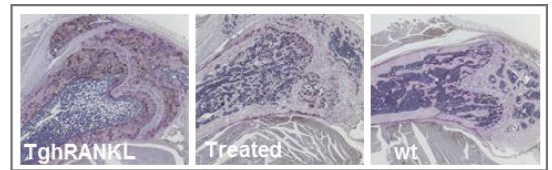

Protect your future  
[www.worldosteoporosisday.org](http://www.worldosteoporosisday.org)

World Osteoporosis Day is dedicated to raising global awareness of the prevention, diagnosis and treatment of osteoporosis and metabolic bone diseases.

In search of novel osteoporosis treatments Our humanized precision models offer the much needed tools to support the identification, validation and development of novel human therapeutics.

Test your therapeutics using our validated humanized osteoporosis precision model

Our overexpressing human RANKL and developing spontaneous osteoporosis, the TghRANKL model has a high translational value exhibiting efficacious treatment with human therapeutics.
