

Biomedcode
Priming drugs for success

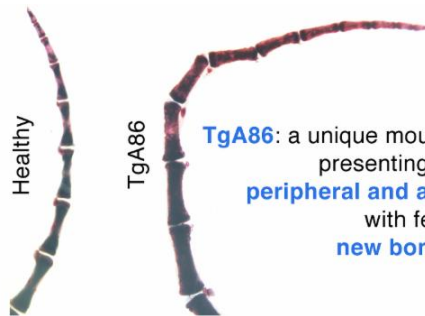

Meet us at

eular Amsterdam 2018
Annual European Congress of Rheumatology, 13-19 June

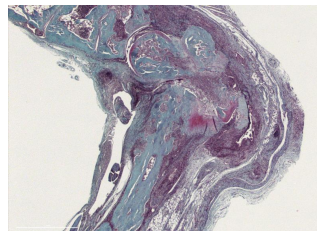

Poster display June 15 8:00-15:30

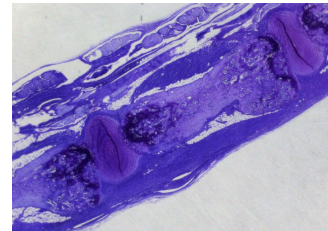

On this
Ankylosing Spondylitis Day
May 5, 2018
prime your drug discovery for success using
Biomedcode's
unique preclinical spondyloarthritis model

TgA86: a unique mouse TNF transgenic model presenting spontaneous **peripheral and axial joint pathology** with features of **new bone formation**

Ectopic cartilage formation

Intervertebral disk degeneration and bone marrow edema
